Press Release

Solex Energy Limited Corporate Office Achieves Integrated ISO Certifications from TÜV NORD

Surat, India, March 11, 2026: [Solex Energy Limited](#), one of India's leading solar module manufacturers and renewable energy innovators listed on NSE: [SOLEX](#), has successfully obtained ISO 9001, ISO 14001, and ISO 45001 certifications for its Head Office (Sales, Marketing and Purchase) from TÜV NORD CERT GmbH, reinforcing its commitment to excellence in quality management, environmental stewardship, and occupational health & safety.

The certifications awarded include:

- **ISO 9001:2015** – Quality Management System
- **ISO 14001:2015** – Environmental Management System
- **ISO 45001:2018** – Occupational Health & Safety Management System

These certifications were granted following a comprehensive audit and assessment conducted in accordance with ISO/IEC 17021 standards, affirming Solex Energy Limited's adherence to globally recognized best practices across operational processes and management systems.

The certification annex further confirms that the company's corporate office is certified for **Sales, Marketing, and Purchase functions related to solar PV module manufacturing**, demonstrating the strength and integration of Solex Energy Limited's management systems across its core business operations.

Issued in Mumbai upon successful completion of audit requirements, the certifications underscore Solex Energy Limited's commitment to internationally benchmarked operational standards and continuous improvement.

In line with TÜV's digitization initiative, certificates are now issued electronically with unique QR codes, enabling real-time verification of authenticity and certification status while enhancing transparency and reducing manual intervention and paper consumption.

Solex Energy Limited will utilize the TÜV certification mark in strict compliance with prescribed usage guidelines, which require prior approval for application and prohibit any representation that could imply product certification or misstate the scope of certification.

Putting Soul in Solar since 1995.

About Solex Energy Limited: Headquartered in Surat, Gujarat, **Solex Energy Limited** has been a pioneer in India's solar manufacturing journey, **putting soul in solar since 1995**. With nearly three decades of expertise, Solex is among India's most trusted solar module manufacturers and one of the first Indian solar brands listed on the **NSE: [SOLEX](#)**.

Solex operates a state-of-the-art, **Industry 4.0 enabled**, fully automated manufacturing facility at **Tadkeshwar, Gujarat**, with a production capacity of **4 GW for photovoltaic modules**. Leveraging advanced automation, real-time quality controls, and data-driven manufacturing processes, the company delivers high-efficiency, high-reliability PV modules. Solex holds globally recognised certifications, exports to multiple countries, and serves as a preferred **OEM partner** to internationally recognised brands.

Beyond manufacturing, Solex provides comprehensive **EPC solutions** across utility-scale, commercial, industrial, and institutional segments. Built on the core values of **consistency, quality, and commitment**, goes beyond being a solar manufacturer to become a long-term energy partner, committed to accelerating the transition to clean, reliable, and sustainable energy.
